

TISCALI SIGNED THE CONTRACT FOR THE SUPPLY OF CONNECTIVITY SERVICES OF PUBLIC ADMINISTRATION UNDER THE SYSTEM OF PUBLIC CONNECTIVITY

Cagliari, 24 May 2016 –Tiscali announces that it has signed a contract for the supply of the connectivity of Public Administration services within the Public Connectivity System (SPC). As announced, the award was made on the basis of the best overall weighted price, an offer that was the most convenient and has successfully passed all the tests of economic and technical consistency.

The contract is a "multi-vendor" Framework Agreement for the transport of data services in IP protocol, network security services and VoIP communication services throughout the national territory for a duration of seven years. As established by the regulations of the call for tender, the portion pertaining to Tiscali as a contracting company is 60% of the total value of the order.

Information on Tiscali

Tiscali S.p.A. (Borsa Italiana. Milan: TIS) is one of the leading alternative telecommunications companies in Italy. Tiscali provides its private and business customers with a vast range of services: internet access through dial-up, ADSL and Fiber Optic technology, as well as voice, VoIP, media, and added-value services and other technologically advanced products.

As at 31 December 2015 Tiscali reported around 667.2 active customers, of which 541.8 thousand were broadband customers and over 116.5 thousand are mobile customers.
