

Tiscali: Clarification

Cagliari, 6th October 2010

Following the news published today in the press and upon request of Consob and Borsa Italiana, Tiscali informs that are under definition and formalization the terms of an agreement with the Company ZTE in order to build a partnership agreement with the aim of fostering the development of ultra-wide broadband. More details will be announced following the coming formalization of the agreement

Information on Tiscali

Tiscali S.p.A. (Borsa Italiana. Milan: TIS) is one of the leading alternative telecommunications companies in Italy. Tiscali supplies a wide range of services to its customers, both private individuals and companies: internet access through dial-up and ADSL, as well as voice, VoIP, media, and added-value services and other technologically advanced products.

As 30 June 2010, Tiscali had more than 740 thousand customers in Italy, of which roughly 582 thousand ADSL customers. Around 362 thousand of these are Dual Play customers.

The Tiscali website may be accessed at www.tiscali.it.
